#### NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND NATURE OF OPERATIONS

The Arc of Southwest Colorado, Inc. (the Organization), a Colorado Not-for-Profit Organization, was incorporated in 2014. The Organization's primary purpose is to provide leadership in addressing the choices and needs of individuals with intellectual and developmental disabilities and their families while safeguarding the rights of these individuals, facilitating choices, and promoting independence and inclusion in community life. The Organization is an affiliated local chapter of The Arc of Colorado and The Arc (national organization) and conforms to the governance and requirements of these organizations as applicable. The Organization's service territory includes La Plata, Archuleta, San Juan, Montezuma, and Dolores Counties.

The Organization is controlled by a Board of Directors of five to seven directors. At least two members of the board of directors shall be persons with intellectual and developmental disabilities, relatives or legal guardians of persons who have intellectual and developmental disabilities. The Board of Directors are elected by the membership of the Organization; Officers are elected by the Board of Directors. Directors and Officers serve a three year term or until the installation of their successors. Officers may serve two terms if approved by the membership of the Organization.

The Arc of Southwest Colorado, Inc. receives support from grants, contributions and membership fees. Grant revenue is recognized when received. In addition, grant revenue is accrued when unconditional promises are received. Contributions are received from the general public and recognized as income when received. Membership revenue is recognized when received.

#### Basis of Accounting

The financial statements are presented in accordance with the requirements established under the Not-for-Profit Entities - Presentation of Financial Statements Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under this topic, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. The financial statements of the Organization have been prepared utilizing the accrual basis of accounting and accordingly reflect significant receivables, payables and other liabilities.

#### NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND NATURE OF OPERATIONS (Continued)

#### **Contributions**

The Organization recognizes contributions received in accordance with the requirements established under the Not-for-Profit - Revenue Recognition Topic of the FASB ASC. Under this topic, contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence and/or nature of any donor restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions upon satisfaction of the time or purpose restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as without donor restrictions.

#### **Donated Materials and Services**

Donated materials are recorded as contributions at their estimated fair values at the date of donation. Contributions of services are recognized in the financial statements if the services enhance or create nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

#### Functional Allocation of Expenses

The operating expenses of the Organization are allocated to three different functional categories based on management's estimate of the time and expense spent for each of the functions. These functions are as follows:

<u>Program</u> - The costs associated with providing leadership in addressing the choices and needs of individuals with intellectual and developmental disabilities and their families while safeguarding the rights of these individuals, facilitating choices, and promoting independence and inclusion in community life.

<u>Management and General</u> - The costs associated with the operating of the Organization's office, including gathering, processing and maintaining financial and legal information. In addition, the costs related to providing services to the members of the Organization.

<u>Fundraising</u> - The costs associated with fundraising efforts to benefit the Organization.

#### Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Organization considers all cash on hand, cash on deposit subject to immediate withdrawal and certificates of deposit with an original maturity of three months or less to be cash and cash equivalents.

#### NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

# NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND NATURE OF OPERATIONS (Continued)

#### **Property and Equipment**

The Organization capitalizes equipment, software and leasehold improvements, at cost if purchased or fair value if contributed, for amounts in excess of \$5,000. Such items are depreciated using the straight line method over their estimated useful lives.

#### Income Taxes

The Organization is exempt from income tax as provided under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The Organization adopted accounting requirements that prescribe when to recognize and how to measure the financial statement effects of income tax positions taken or expected to be taken on its income tax returns, including the position that the Organization continues to qualify to be treated as a tax-exempt organization for both federal and state income tax purposes. These rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained.

Based on that evaluation, if it were more than 50% probable that a material amount of income tax would be imposed at the entity level upon examination by the relevant taxing authorities, a liability would be recognized in the accompanying balance sheet along with any interest and penalties that would result from that assessment.

Based on the results of management's evaluation, the requirements did not have a material effect on the Organization's financial statements. Consequently, no liability is recognized in the accompanying balance sheet for uncertain income tax positions.

The Organization's federal returns (Form 990 and 990T, if filed) are subject to examination by the Internal Revenue Service generally for three years after they are filed. Should any penalties and interest be incurred, they would be recognized as management and general expenses.

#### Fair Value of Financial Instruments

Generally Accepted Accounting Principles (GAAP) requires disclosure of an estimate of fair value of certain financial instruments. The Organization's financial instruments are cash, accounts payables and accrued expenses. The recorded value of these financial instruments approximate fair values based on their short-term nature.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

## NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2023 AND 2022

#### NOTE 9 LIQUIDITY AND AVAILABIITY OF FINANCIAL ASSETS (Continued)

The Organization is substantially supported by membership dues, grants and contributions. At times, the Organization may received grants and contributions with donor restrictions which requires resources to be used in a particular manner or in a future period. The ARC of Southwest Colorado, Inc. must maintain sufficient resources to meet those responsibilities to its donors. Thus, some financial assets may not be available for general expenditures within one year.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

It is the Organization's goal to establish operating reserves equal to three months of operating expenditures (as defined by the Board of Directors), which approximated \$66,765 and \$60,100 at December 31, 2023 and 2022, respectively. Higher than anticipated expenditures in 2023 and 2022 prevented the Organization from reaching the operating reserves goal. As of December 31, 2023, the Organization allocated \$35,814 to a segregated account for operating reserves (NOTE 5) and is committed to reaching the operating reserves goal by December 31, 2024. Operating reserves are available for use within the next year. However, operating reserves expended by the Organization are required to be replenished by the following year-end.

#### NOTE 10 CONCENTRATION OF CREDIT RISK

The Organization's financial instruments that are exposed to concentrations of credit risk consist of cash. The Organization places its cash with high credit quality institutions. At times, cash may be held in accounts in excess of the FDIC insurance limit of \$250,000. At December 31, 2023 and 2022, the Organization had no accounts held at any one financial institution exceeding the FDIC limit.

#### NOTE 11 SUBSEQUENT EVENTS

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through June 19, 2024, the date the financial statements were available to be issued. The Organization has not identified any subsequent events.
